Brian,

Thanks for this update. I will mention this at SLT today. We should get KC up to speed on this one as well.

I will send you both a copy of the updated draft later this afternoon but please let me know if you would like to join the briefing tomorrow at 9:30. Also, please let me know if you think we need to bring K.C. up to speed on this issue if it might be more appropriate once we see the ROD.

Thanks.
